Subject: Resolution Authorizing the County Mayor to apply for, Receive, and Expend Grant funds from the National PREA Resource Center in the amount of \$19,000.00

RECOMMENDATION

It is recommended that the Board of County Commissioners ratify the County Mayor or County Mayor's Designee action to apply for, receive, and expend National PREA Resource Center grant funds awarded in the amount of \$19,000.00.

SCOPE

Miami-Dade Corrections and Rehabilitation Department has applied for a grant in the amount of \$19,000.00, available through the National PREA Resource Center, to improve the Department's management information system known as the "Administrative Investigations Management System" (AIM), currently used by the Department's Security and Internal Affairs Bureau. System improvements will enhance the Department's ability to document, track and route, analyze, and report various incidents, including use of force, inmate assaults, employee discipline, and Prison Rape Elimination Act (PREA)-related events.

FISCAL IMPACT/FUNDING SOURCE

This grant award will provide \$19,000.00 to the Miami-Dade Corrections & Rehabilitation Department and does not require matching funds.

TRACK RECORD/MONITOR

Sergeant Jose Toca with the Miami-Dade Corrections and Rehabilitation Department will serve as the monitor for this grant project.

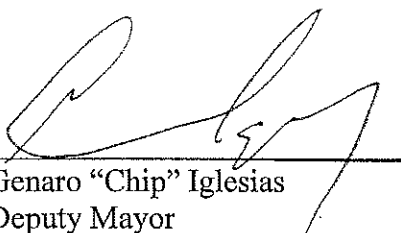

BACKGROUND

The Miami-Dade Corrections and Rehabilitation Department applied for a grant to improve the management information system known as the "Administrative Investigations Management System" (AIM) currently used by the Security and Internal Affairs Bureau. In addition to incident monitoring and reporting, the system will interface with Inmate Profile Systems to populate inmate information in order to produce timely and accurate reports as may be needed or requested for management, law enforcement agencies, and the Department of Justice.

Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners
Page 2

With this grant awarded, the Department will: 1) enhance its current data collection and management system; 2) centralize the electronic PREA-related database system accessible only by users with permission rights; 3) minimize the amount of staff hours required to generate a variety of reports on a daily, weekly and/or monthly basis; and 4) expand current incident reporting functionality to allow for data analysis of incident reporting and information which will allow for data sharing with partnering law enforcement agencies as well as other entities in a method that is accurate, timely, and readily available. The system will enhance the Department's ability to comply with the PREA tenets of the detection, prevention, and reduction of prison rape, and the collection and dissemination of information on sexual assault incidents.

The short turnaround time imposed by the PREA application deadline and acceptance period, did not allow sufficient time for the processing of the resolution and its submission to the Board of County Commissioners prior to submission and acceptance of the grant award.

GRANT TERMS AND CONDITIONS

- 1. Use of Funds.** Grantee agrees to comply with the financial and administrative requirements set forth in the current edition of the Office of Justice Programs (OJP) Financial Guide (<http://www.ojp.usdoj.gov/financialguide/>). Grantee shall be reimbursed for expenses per the approved budget (Attachment #3) and shall use the grant funds only for the purposes of the specific project described above. If an award exceeds \$100,000 and the cumulative changes between approved budget categories exceed 10% of the total grant amount or changes the scope of the project, Grantee is required to get NCCD's prior approval. If an award is less than \$100,000 and the scope of the project does not change, prior approval to modify your budget is not required. Grantee shall repay to NCCD any portion of the grant funds which is not spent or committed for these purposes.
- 2. Equal Employment Opportunity.** Grantee agrees to comply with all federal laws and regulations regarding equal employment opportunity.
- 3. Quarterly Reports.** Grantee agrees to submit progress reports quarterly with the first report due July 1, 2013, and every three months thereafter. Required quarterly reports should be submitted through ZoomGrants.com. See Attachment #2 for guidance.
- 4. Final Report.** Grantee agrees to submit a final report at the end of the project documenting all relevant project activities from the beginning date of this agreement. This report will include detailed information about the project(s) funded, including, but not limited to, information about how the funds were actually used for each purpose area, data to support statements of progress, and data concerning individual results and outcomes of funded projects reflecting project successes and impacts. The final report is due no later than 30 days following the close of this agreement.
- 5. Invoices.** Invoices must accompany quarterly reports and be submitted on a quarterly basis through Zoomgrants. All receipts for equipment, furniture, consultants, travel, and other costs must be provided as an attachment. Information must also be provided regarding budget categories and personnel hours, as outlined in the invoicing template (Attachment #1). Payment of the final invoice is contingent upon completion of the final report.
- 6. Employee Compensation.** With respect to this agreement, federal funds may not be used to pay cash compensation (salary plus bonuses) to any employee of Grantee at a rate that exceeds 110% of the maximum annual salary payable to a member of the federal government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. (An employee may be compensated at a higher rate, provided the amount in excess of this compensation limitation is paid with non-federal funds). These rates are outlined on the US Office of Personnel Management website, www.opm.gov.
- 7. Consultant/Contractors.** All sub-contracts that exceed \$100,000 under this agreement should be competitively awarded. This agreement does not indicate approval of any subcontractor and/or consultant rate in excess of \$450 per day.
- 8. Travel.** Travel costs must abide by the terms of federal travel policy. The US General Services Administration website (<http://www.gsa.gov/portal/category/100120>) outlines the allowable per diem amounts for meals and incidental expenses (M&IE), and these standard amounts can be used instead of actual costs for each travel day, except the first and last

day, which can only be billed at seventy-five percent (75%) of the appropriate M&IE per diem rate. Every attempt should be made to obtain the federal per diem rate for lodging. Any taxes and fees added to the room rate are in addition to the federal per diem rate, and are reimbursable. No tips are allowed to be charged to federal projects. All airfares or train fares are to be economy/coach. Airfare and lodging expenses are not considered incidental, and receipts substantiating these expenses must be submitted as invoiced. Also, grantees should maintain their own record of travel cost receipts in order to substantiate these expenses in the case of an audit.

9. Conferences and Events. NCCD must be made aware of any conferences or events that will be conducted with contributing funds from this grant in advance of any obligation of funds for that purpose. Deirdre O'Connor should be contacted via email at doconnor@nccdglobal.org.

10. Supplanting. Federal funds may be used to *supplement* existing State and local funds for program activities and must not supplant, supersede and or replace those funds that have been appropriated for the same purpose.

11. False Claims Act. The civil False Claims Act (FCA) prohibits the knowing submission of false or fraudulent claims to the government for payment and/or false or fraudulent claims involving government funds. Knowing is defined under the FCA as actual knowledge, deliberate ignorance, or reckless disregard of the truth or falsity of the claim.

12. Recordkeeping. Grantee shall treat grant funds as restricted assets and shall maintain books to show the grant funds separately. All expenditures made in furtherance of the purposes of the grant shall be charged off against the grant and shall appear on the Grantee's books. Grantee shall keep adequate records to substantiate its expenditures of grant funds. Grantee shall make these books and records available to NCCD at reasonable times for review and audit and shall comply with all reasonable requests of NCCD for information and interviews regarding the use of these funds. Periodic site visits and/or audits may be performed. NCCD, BJA, the Comptroller General, or any of their representatives shall have access to any books, documents, papers, and records of the Grantee and their contractors that are directly pertinent to this Agreement for the purpose of making audit, examination, excerpts, and transcripts. Grantee shall retain all required records for three (3) years after NCCD makes final payments and all other pending matters are closed.

13. Audit. Grantee agrees to comply with the organizational audit requirements of OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and further understands and agrees that funds may be withheld, or other related requirements may be imposed, if outstanding audit issues (if any) from OMB Circular A-133 audits (and any other audits of OJP grant funds) are not satisfactorily and promptly addressed, as further described in the current edition of the OJP Financial Guide, Chapter 19. Grantee further agrees to notify NCCD within 30 days of completion of Grantee's annual audit, that the audit is complete. If there are findings in the audit, a copy of the audit must be forwarded promptly to NCCD.

14. Prohibited Uses. Grantee shall not use any portion of the funds as follows:

- a. To influence the outcome of any specific election for candidates to public office;
- b. To induce or encourage violations of law or public policy or the enactment, repeal, modification, or adoption of any law, regulation, or policy at any level of government without the express approval of OJP;

- c. To cause any private inurement or improper private benefit to occur;
- d. Alcohol costs are not allowable expenses;
- e. Vehicles are not allowable expenses;
- f. Cameras and other electronic monitoring equipment are not allowable expenses;
- g. Overtime or salaries to back-fill/cover front line staff positions to allow staff to attend training is not an allowable expense;
- h. Renovation and construction costs are not allowable expenses; and
- i. Grantee cannot use any federal funds, either directly or indirectly, in support of the Association of Communication Organizations for Reform Now (ACORN) or its subsidiaries without the express prior written approval of OJP.

15. Lobbying, Reliance on Project Budget. Grantee understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government, without the express prior written approval of OJP.

16. Misconduct. Grantee must promptly refer to the US Department of Justice's (DOJ's) Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, sub-awardee, sub-grantee, sub-contractor, or other person has either (1) submitted a false claim for grant funds under the FCA; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving grant funds. This condition also applies to any sub-awardees. Potential fraud, waste, abuse, or misconduct should be reported to the OIG by mail to the Office of the Inspector General, US Department of Justice, Investigations Division, 950 Pennsylvania Avenue, N.W. Room 4706, Washington, DC 20530; email to oig.hotline@usdoj.gov; call the hotline at (800) 869-4499 (contact information in English and Spanish); or fax the hotline at (202) 616-9881. Additional information is available from www.usdoj.gov/oig.

17. Termination. If NCCD determines, in its sole discretion, that Grantee has substantially violated or failed to carry out any provision of this Agreement, including but not limited to failure to submit reports when due, NCCD may, in addition to any other legal remedies it may have, refuse to make any further grant payments to Grantee under this or any other agreement, and NCCD may demand the return of all or part of the grant funds not properly spent or committed to third parties, which Grantee shall immediately repay to NCCD. Also, this Agreement shall terminate (a) upon the Grantee's organization dissolution; (b) by Grantee's non-compliance with any laws and government regulations; or (c) if NCCD's funding for this contract is discontinued. NCCD will provide Grantee with written notice of any deficiency or non-compliance before terminating the Agreement.

18. Grant Announcements. NCCD may include information on the grant in its periodic public reports.

19. Confidentiality.

- a. NCCD Information. In this Agreement, "Confidential Information" means all information disclosed whether in writing, orally, or by another means whether directly or indirectly and whether specifically designated as "confidential" or which ought reasonably to be regarded as confidential under or in connection with NCCD ("the Disclosing Party") to Grantee ("the Receiving Party"). Whether before or after Term of the Grant, Grantee shall not disclose Confidential Information for any purpose other than the performance of its obligations in relation to the Grant, not disclose Confidential Information to any person except with the prior written consent of the Disclosing Party, and make every effort to prevent the use or

disclosure of Confidential Information. The Receiving Party may disclose Confidential Information to any of its directors, other officers, and employees ("a Recipient") to the extent that the disclosure is reasonably necessary for the purposes of the Grant. Before disclosure to a Recipient, the Receiving Party shall ensure that the Recipient is made aware of and complies with the Receiving Party's obligations of confidentiality as if the Recipient was a party to the Grant Conditions.

- b. Information of Third Parties. Grantee will fully comply with the confidential and privacy requirements relating to third-party information as fully set forth at 42 USC § 3789g and 28 CFR Part 22.

20. Intellectual Property and Licenses. NCCD and OJP reserve a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use and authorize others to use (in whole or in part, including in connection with derivative works) for Federal purposes: (1) the copyright in any work developed under an award or subaward; and (2) any rights of copyright to which a sub-awardee or its sub-contractor purchases ownership with Federal support.

Grantee acknowledges that OJP has the right to (1) obtain, reproduce, publish, or otherwise use the data first produced under an award or sub-award; and (2) authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes.

It is the responsibility of Grantee (and of each sub-contractor, if applicable) to ensure that this condition is in any sub-contract under this award.

21. Publications; Website.

- a. Written, Visual or Audio Publications. Any written, visual, or audio publication, with the exception of press releases, whether published at the Grantee's or NCCD's expense, shall contain the following statements: "This project was supported by Grant No. 2010-RP-BX-K001 awarded by the Bureau of Justice Assistance. The Bureau of Justice Assistance is a component of the Office of Justice Programs. Points of view or opinions in this document are those of the author and do not represent the official position or policies of the United States Department of Justice." The current edition of the OJP Financial Guide provides guidance on allowable printing and publication activities.
- b. Website. Any website that is funded in whole or in part under this award shall include the following statement on the home page, on all major entry pages (i.e., pages (exclusive of documents) whose primary purpose is to navigate the user to interior content), and on any pages from which a visitor may access or use a web-based service, including any pages that provide results or outputs from the service: "This website is funded in whole or in part through a grant from the Bureau of Justice Assistance, Office of Justice Programs, US Department of Justice. Neither the US Department of Justice nor any of its components operate, control, are responsible for, or necessarily endorse, this website (including, without limitation, its content, technical infrastructure, and policies, and any services or tools provided)." The full text of the foregoing statement must be clearly visible on the home page. On other pages, the statement may be included through a link, titled "Notice of Federal Funding and Federal Disclaimer," to the full text of the statement.

All publications, materials, training curriculum, and services funded under this grant must be consistent with the Prison Rape Elimination Act (PREA) standards as published by DOJ. Grantees and their sub-contractors are encouraged to review materials available through the National Institute of Corrections and the National PREA Resource Center

("PRC") when developing publications, materials, training curriculum, and services funded under this grant. Grantees may be asked to forward publications, materials, and training curriculum to PRC.

22. Relationship of the Parties. Grantee agrees that by virtue of this Agreement, Grantee is independent of NCCD; neither Grantee nor any of its employees is an employee, agent, or partner of NCCD; and neither Grantee nor any of its employees is authorized to bind NCCD by contract or otherwise. Grantee is solely responsible for all activities supported by grant funds, the content of any product created with grant funds, and the manner in which any such product may be disseminated. This Agreement shall not create any agency relationship, partnership, or joint venture between the parties, and Grantee shall make no such representation to anyone. NCCD has awarded grant funds to Grantee so that Grantee may perform the services described in the accepted application, and Grantee reserves the right to determine the method, manner, and means by which the services will be performed. If Grantee intends to hire employees or agents to accomplish the objectives of this Agreement, it herewith certifies that it is an equal opportunity employer. Grantee shall not be required to devote Grantee's full time to the performance of the services required hereunder, and it is acknowledged that Grantee has the right to perform services for other clients.

23. Indemnification. Grantee shall indemnify, hold harmless and defend NCCD from and against any and all claims, losses, liabilities, costs, and other expenses incurred as a result or arising directly or indirectly out of or in connection with the negligence or intentional acts or omissions of the Grantee in the performance of this Agreement.

24. No Waivers. The failure of NCCD to exercise any of its rights under this Agreement shall not be deemed to be a waiver of such rights.

25. Potential Additional Requirements. Grantee agrees to comply with any additional requirements that may be imposed during the agreement performance period if NCCD or BJA determines that the recipient is a high-risk Grantee. Cf. 28 CFR parts 66, 70.

26. Evaluation. Grantee agrees to cooperate with any assessments, national evaluation efforts, or information of data collection requests, including, but not limited to, the provision of any information required for the assessment or evaluation of any activities within the work of this Agreement.

27. Severability. If any portion of this Agreement or application thereof to any person or circumstance shall be declared invalid by a court of competent jurisdiction or if it is found in contravention of any federal, state, or county statute, ordinance, or regulation, the remaining provisions of this Agreement or the application thereof shall not be invalidated thereby and shall remain in full force and effect to the extent that the provisions of this Agreement are severable.

28. Entire Agreement. This Agreement supersedes any prior or contemporaneous oral or written understandings or communications between the parties and constitutes the entire Agreement of the parties with respect to its subject matter. This Agreement may not be amended or modified, except in writing signed by both parties.

29. Governing Law. This Agreement shall be governed by the laws of the United States of America. Funding for this work is from federal sources. Grantee agrees to abide by all pertinent federal laws and regulations.
